Print Commissions

Price List

Prices listed here are for a single edition print created in woodcut or linocut, presented on backing board, within an archival plastic sleeve.

It is possible to produce a print in different sizes/shapes, or with more colours, extra copies etc. for an additional charge.

The image is bespoke, and can be designed using photos, or drawings from life.

Popular subjects include the family home, or favourite places, but can be anything you like.

A consultation, with simple rough designs is free, a 50% deposit is paid when work commences, with balance paid upon delivery of final artwork.

Advice on framing can also be provided.

N.B. Prices listed here are for private commissions; If your commission is for business or commercial purposes, please double the values listed.
